VERY PRIVATE PROPERTY! This beautiful setting has it all, winding treelined driveway, separate meadows fenced for horses and completely fenced with Trails around the property. Very bright welcoming home with 10 foot ceilings through-out. 4 bedrooms, 3 baths & 2 living rooms, one with a wood burning fireplace. Lots of big windows and garden doors that exit to a wrap around covered patio. The home is nice and toasty with in-floor heating. The front half of the home was built in 1980 and the back half was built in 1996. The shop measures 40 x 32 ft and the back portion is separated by a wall (could use for horses or storage). The outside of house is finished with Stucco and the insulation on outside walls was upgraded. Welcome home.

Built in 1980
