Looking to invest? Here's a solid opportunity to grow your portfolio with a fully leased commercial building offering great value and long-term potential. Sitting on a 3,455 sq ft footprint, the property is divided into two separate retail spaces—both currently tenant occupied. One side (approx. 2,300 sq ft) is operating as a restaurant, while the other (approx. 1,155 sq ft) is home to a pet store. The layout includes a shared 4-piece bathroom, three additional rooms, and two separate entrances—one for each business. A double detached garage is located at the back of the building, and there's ample street parking in front for customers and staff alike. The sale includes the land, the building, and several restaurant-related fixtures, such as the kitchen exhaust system, HVAC, walk-in cooler, and freezer. This is a turn-key investment with immediate income in place—don't let it pass you by!
