Looking for a home in Neerlandia, here is a beauty!! Master bedroom on upper floor and 2 bedrooms on lower floor along with full kitchen and living room(in third possible bedroom) with laundry on each floor to make a great income property with separate entrances! The pictures show that its very attractive and many upgrades were done about 12 years ago including the shingles on the home and garage/workshop, countertops, storage closets, some windows, flooring, and lots more. There were 3 bedrooms upstairs but the seller made 2 of them into a family room This could possibly be changed back if needed.

Built in 1993
